

The New Nissan Juke

New Nissan Juke Who needs ordinary?

The New Nissan Juke puts the joy back into urban vehicles, starting with its bold, uncompromising design. Inside, your whole family will be captivated by high-quality materials and attention to detail, and surrounded with advanced technologies. Start it up and press the accelerator, you'll be transformed by its responsive attitude in every drive.

Powerful presence. Attractive attitude.

The new iconic yellow is the perfect shade to show off New Juke's bold looks and strong personality. The new N-Sport grade is even better equipped to stand out from the crowd.

Petrol Engine.

Nissan Juke is also available with a lightweight, 1.0-litre internal combustion engine which combines fuel economy with plenty of power. The electronically controlled turbocharger and reduced friction design gives smooth and responsive power. Switch to ECO mode for fuel efficiency and SPORT mode for performance.

Always connected.

Smartphone connectivity will keep you seamlessly connected to the world around you with Wireless carplay & Android auto.

Room for everyday life.

Juke is roomy and versatile to fit all the fun that awaits. The easy-fold split rear seat increases the boot size so you can carry larger cargo like huge balloons, bikes or luggage.
